New advertising and changes to existing advertisements must be submitted prior to the 15th of the month prior to next edition. If submitting on the 15th of the month, your advertisement needs to be publication ready. If you cannot provide your advertisement publication ready (as you wish it to be displayed) we can do a simple advert format but please submit your changes earlier so we can supply new draft advertisement for your approval prior to the 15th of the month. Design charges apply for new advertisements and may apply for existing advertisements dependant on scope of editing. We highly recommend you seek the services of a graphic designer to produce your advert.

We strictly abide by the **4pm on the 15th of the month** deadline to ensure, layout design, proof reading, printing and distribution can all occur by the first of the month of issue. If the 15th falls on a weekend, please submit on the Friday immediately prior to the 15th of the month.

Occasionally due to layout design we may need to increase the size of your advertisement, if this occurs there is no added cost, you will only be charge the rate for your usual advert.

A Tax invoice will be issued for advertising in The Dingley Dossier prior to distribution commencing and payment is to be made by the Invoice due date. If payment not received The Dingley Dossier will cease publication of further Advertising until the breach is remedied and if it is not the Dingley Dossier will terminate any agreement for Advertising in the Dingley Dossier. If you wish to discuss payment options or billing frequency, please contact the editor.

One off & casual advertising **must be** pre-paid prior to the 15th of the month deadline, to be included in next edition. See Terms and Conditions for more information.
